# PHOTO ALBUM

# INDEX

No corners or glue required.

Photographs are easily mounted.

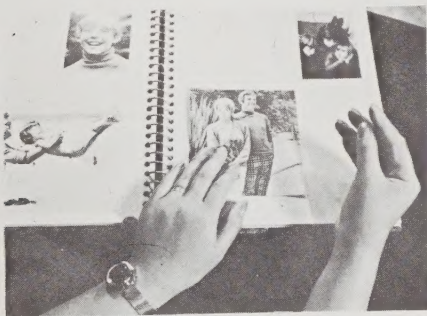

Photographs can be rearranged at will.

The acetate sheeting will protect your photographs.

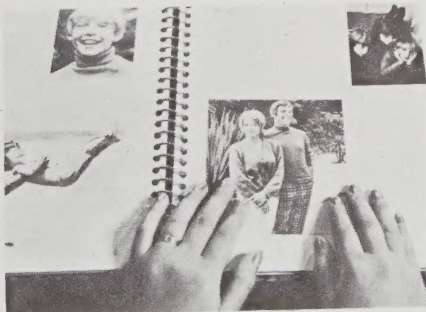

### Instructions

Peel off acetate leaf covering by lifting the corner leaving at least one inch unpeeled.

Place photos in position as desired.

Permit acetate leaf covering to return to position.

**Note :**

Note :  
Do not touch the adhesive surface of the page  
when mounting photographs.
